

Brothers, the carrier is and has been violating the St. Louis Hub Agreement side letter 26 if you are working on a regular pool turn on the re20 or re26. It is my recombination to start filing time claims. You can go back 60 days. Fill out as follows, and **do not** use the word **BLUEPRINT** in your Claim.

*Claim 130 miles account the carrier is violating the side letter 26 section 3 of the St. Louis Hub Agreement by operating pool zc252 re20 or zc252 re26 as a terminal arrival pool and not keeping each turn in the same relative order as when they left their home terminal.*

Fill this out for every day.
